

**ONE MONTH TRAINING
ON
“BASIC TOOLS AND TECHNIQUES IN BIOTECHNOLOGY”
COLLEGE OF BIOTECHNOLOGY, DUVASU, MATHURA**

ABOUT PROGRAM:

College of Biotechnology, DUVASU, Mathura invites M.Sc. Biotechnology/Life science students (pursuing/ pass out) to get the exposure of various techniques involved in the field of biotechnology. The idea behind this training program is to develop interest among students and enhance their technical skill. The college of biotechnology has competent faculty having specializations in the frontier fields of Biotechnology along with excellent state of the art lab facilities to conduct the different biotechnological techniques.

PROGRAM SCHEDULE:

Each day will feature one basic and one advanced lecture by faculty of college of biotechnology. Followed by Hands-on Training. Accordingly, the training module includes following subjects-

- Molecular Biology techniques.
- Microbiology Techniques.
- Plant tissue culture techniques.
- Immunological techniques.
- Bioinformatics tools.
- Biochemical techniques.

ELIGIBILITY:

Graduate / Postgraduate pursuing/pass out in Biotechnology **or** Life science students.

Number of Seats: Maximum 15

APPLICATION PROCESS:

- **Program Fee: Rs. 10,000.**
- Candidates can apply using online following link <https://forms.gle/CAdtAAkCH2uou6Z96>
- To register yourself click on the link & submit the application form.

Last Date for Application: 06th July 2024

Confirmation of selection: 06th July 2024

Fee Payment Details: Fee will be credited in the below mentioned account details-

Account Name : **Finance Officer, College of Biotechnology, DUVASU, Mathura.**

Account No : **147501000000087**

Branch : **Veterinary College, Mathura**

IFSC Code : **IOBA0001475**

*** Fee once paid is non refundable**

Boarding and Lodging: College of Biotechnology will not provide any financial support for training and stay. The students will have to make their own arrangements for stay during the program. However College of Biotechnology may consider specific request from outstation students only depending upon the availability of accommodation in university guest house. Students have to bear expenses as per university norms.

Program Commencement: 08th July 2024

Duration: 01 Month (08th July 2024 - 07th August 2024)

Program Director: Prof. (Dr.) Rashmi Singh

Dean, College of Biotechnology, DUVASU, Mathura

Program Coordinator: Dr. Priyambada Kumari and Mr. Faizan ul Haque Nagami

Assistant Professor, College of Biotechnology, DUVASU, Mathura

Contact No.: 7906061171, 8267992994

We welcome students from all colleges/universities/institutions from all regions of the country.
