FORWARD

I am extremely happy to learn that the U.P. Pt Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go-Anusandhan Sansthan (DUVASU), Mathura is publishing the Student's Hand-Book with incorporation of all recent rules & regulations in view of continuous academic developments in university. The university has under gone tremendous change since publication of the last edition of Student's Hand Book. The College of Biotechnology and the Institute of Para-Veterinary Science has been established and two new colleges Viz. College of Dairy Science and College of Fisheries Science are being established from academic year 2024-25. This student hand book has been prepared keeping in view the needs of students for future also. It provides general informations regarding different university activities, dress code, academic regulations, Educational tour & hostel rules as per directives of Veterinary Council of India, New Delhi, Indian Council of Agricultural Research New Delhi and U.G.C. regulations pertaining to students.

The overwhelming efforts of Registrar, Dean (Veterinary) and Dr. Rajneesh Sirohi, Dean Students Welfare and his team are laudable. I am confident, that the contributions in this direction would be of immense utility to the student's community.

I congratulate and compliment the whole team for their efforts for the publication of Student's Hand-Book.

ABOUT THE UNIVERSITY

Uttar Pradesh Pandit Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go-Anusandhan Sansthan (DUVASU), Mathura was established by Government of Uttar Pradesh through the Act No. 27 of 2001 on October 25, 2001, by carving out all the units of College of Veterinary Science and Animal Husbandry from C.S. Azad University of Agriculture & Technology, Kanpur. The College of Veterinary Science and Animal Husbandry, Mathura became its first constituent college. The parent institution of this University had the distinction of being the first Veterinary College set up before independence of India on 16th January 1947. It was the first Veterinary College in Asia to start with degree programme in Veterinary Science and to start M.V.Sc/M.Sc degree programmes in various disciplines of Veterinary and Animal Sciences in 1951 and thereafter started Ph.D. degree programmes.

The University has been named after a great visionary and statesman - Pt. Deen Dayal Upadhyaya, whose native place is in close proximity to Mathura, propounded the philosophy of “Integrated Humanism”. He emphasized that the modern advances in science and technology should be oriented to uplift the economy of rural India and farming community. He was a connoisseur of traditional wisdom of Indian thinkers and a great supporter of natural resource management in crop and animal husbandry.

The mandate of the University is to (a) impart quality education in Veterinary and allied sciences (b) undertake need-based and basic research and (c) provide extension services to disseminate the research findings and knowledge to farmers and livestock owners.

The University, spread over an area of 782.34 acres, is located in Mathura cantonment and is about 5 km from Mathura railway junction and 3.5 km from roadways bus stand. The main campus appears impressive with the buildings of College of Veterinary Science & Animal Husbandry, College of Biotechnology, College of Fisheries Science, College of Dairy Technology, Institute of Para - Veterinary Sciences,

Krishi Vigyan Kendra, University Library, Nand Bhawan, Referral Super-speciality Veterinary Hospital (Kothari Hospital), health centre, educational museum, three guest houses, eleven hostels, auditorium, gymnasium, helipad, residential colonies, herbal garden, nakshatra vatika, street lighting, independent water supply, primary school, medical shop, canteen, bank, ATMs and post office. In addition, the University, on its own campus, has Livestock Farm Complex (LFC) with more than 500 indigenous cows, Murrah and Nili Ravi buffaloes, goat farm having more than 600 goats of ten different breeds and poultry farm with more than 2500 birds, Go - Anusandhan Sansthan, horse stable with riding field and agriculture farm. The other agriculture farm of approximately 1400 acres is located at Madhuri Kund on Govardhan road about 30 km from the main campus.

Presently, degree programmes are going on in its two colleges, namely - College of Veterinary Science and Animal Husbandry and College of Biotechnology. In addition to the degree programmes, two diploma programmes i.e., Diploma in Livestock Extension and Diploma in Veterinary Pharmacy are also going on since 2013 in the Institute of Para Veterinary Sciences. The University envisages to begin with a new chapter in its journey by starting with two new colleges- College of Dairy Science and College of Fisheries Sciences from the academic Year 2024-25. The University has signed Memorandum of Understanding (MoU) with Central Institute for Research on Goats (CIRG), Makhdoom; Indian Veterinary Research Institute (IVRI), Izatnagar; National Dairy Research Institute (NDRI), Karnal; NRC Meat, Hyderabad, NIAH, Baghpat; RAJUVAS, Bikaner; Central Council for Research in Homeopathy, New Delhi; CSWRI, Avikanagar; Sanskriti University, Mathura; IARI, New Delhi; NDVSU, Jabalpur, ICAR-CARI, Izatnagar etc. In addition, University is also having Memorandum of Understanding with Oklahoma State University; Oklahoma, USA; Purdue University, West Lafayette, Indiana, USA and International Training Centre on Pig Husbandry, Lipa City, Philippines. These MoUs with National and International institutes and Universities have enhanced the research and education opportunities and capabilities for students through their experienced faculty, educational opportunities and laboratory facilities.

MISSION

University was established with the basic objective of imparting quality veterinary and allied education, undertake need-based and basic research, integrate education and research and offer efficient extension services for the farmers and livestock owners.

VISION

- Produce competent and skilled human resource in the field of animal health and production and allied sectors who are socially sensitive and responsible professionals;
- Undertake region-based, need-based and basic research for improving animal health and productivity adopting modern technology;
- Validate indigenous traditional knowledge (ITK) on scientific basis;
- Provide efficient extension services at the doorstep of poor and marginal farmers and livestock owners and motivating them to adopt animal husbandry, poultry, fishery and related vocations as an engine of economic growth and social empowerment;
- Social empowerment of women to become “knowledgeable stake holders” and giving them economic identity;
- Interface Industry and stakeholders in the newer perspectives of open global market;
- Ensure enhanced production from rural and urban livestock through effective disease surveillance and diagnosis, health care and vaccination programmes; and
- Empower rural youth for self-employment adopting integrated farming practices.

MANDATE

University is the premier Veterinary and Animal Science Institution and is known for quality education and research on various aspects of animal health including disease diagnosis and providing advisory and extension services through scientific knowledge and expertise for:

- Strengthening hands on training of students with special emphasis on capacity building;

The college will be offering four year B. Tech. (Dairy Technology) as per the Vth Deans Committee report from academic year 2024- 2025.

INSTITUTE OF PARA-VETERINARY SCIENCE (Under Self-Finance Scheme)

DUVASU takes pride in having started the need-based diploma courses in Veterinary Pharmacy and Livestock Extension in the state. These diploma programmes were started with the financial support under “Rashtriya Krishi Vikas Yojna” in College of Veterinary Science & Animal Husbandry in 2013 under self-finance scheme and since then, these programmes are going on successfully. Realizing the importance of livestock resources, veterinary education has been strengthened over the years, however, in view of the limited availability of qualified veterinary graduates, it is not possible for government to make their services available in each and every village. Further veterinary doctors too require well-trained supportive staff to cater the technical services more efficiently. Veterinary Pharmacists and Livestock Extension workers are essential for efficient veterinary services which include healthcare and management of livestock including artificial insemination services at village level. They also assist in public health services and control of zoonoses, endemics and epidemics under the guidance of expert veterinary professionals.

Therefore, in view of the requirements of trained human resource in the state of U.P., DUVASU decided to establish the Institute of Para-Veterinary Science. Efforts are also going on to get this Institute fully-funded from Government of Uttar Pradesh so as to run the diploma programmes also on the similar lines as other academic programmes in the University.

The Institute offers the following two academic programmes:

Name of the programme	Duration
1. Diploma in Veterinary Pharmacy (DVP) :	2 years 3 months.
2. Diploma in Livestock Extension (DLE) :	2 years.

विश्वविद्यालय गीत

हे विद्या मंदिर तुम्हें नमन,
हे ब्रज वसुंधरा तुम्हें नमन ।
जीवन में यह संकल्प रहे,
पशु सेवा का प्रकल्प रहे ।

हो नवीन अनुसंधान यहाँ,
जन-जन को हो यह बोध यहाँ ।
उद्देश्य हमारे जीवन का,
हो विकास मानव जन का ।

मूक पशु प्रति प्रेम बढ़े,
पशु पालन से स्नेह बढ़े ।
पग-पग पर हों सहायक हम,
सब बनें राष्ट्र का गौरव हम ।

गुरु शिष्य परंपरा सुदृढ़ रहे,
भारत माँ से प्रेम प्रगाढ़ रहे ।
अविरल यहाँ दुग्ध की धार बहे,
'सर्वे सुविना' जीवन का आधार रहे ।

हे विद्या मंदिर तुम्हें नमन ।
हे ब्रज वसुंधरा तुम्हें नमन ।
